

In the Specification

In accordance with page 3 of the Official Action, a substitute specification in proper idiomatic English and in compliance with 37 C.F.R. § 1.52(a) and (b) is enclosed. A copy of the specification as previously modified by the amendment of March 21, 2003, marked to indicate the further changes now being made, is also enclosed. The substitute specification contains no new matter.
